

19th June 2020

Message from Mrs Gardiner

Another week has gone by and we are firmly in a new routine with our staggered start and finish times. Many thanks to all staff and parents who have made it work so well. Prompt arrival at the start and end of the day helps to keep everyone safe. I do ask that when you drop off your child/ren that you move away from the gates so that others can collect their child/ren safely. School is working well and we are now at capacity in all of our bubbles for our Year 1, Key worker and Vulnerable children. Home learning is still continuing and we are so impressed with the quality that is taking place. Mrs Roebuck is back in school and supporting all our families. If you do need any support then please do get in touch and we will do our very best to help in whatever way we can. Please remember to contact staff through the admin email or the school phone line and not through Seesaw. We have no further information regarding summer provision or expected opening for all. As soon as we do, we will inform you as I know this is something that we are all keen to have clarity about.

Reception Class

This week in Reception they have been learning about different types of transport. The children have named, sorted and designed their own vehicles. The class have also focused on doubling and sharing in Maths. In Phonics they have been learning the phonemes oo, or and ar

Reception Star of the Week

The Star of the Week in Reception is Mollie for producing excellent writing with beautifully formed letters. Mollie had also worked hard to double and share amounts equally in Maths. Well done.

Class 1

This week, Class 1 have been learning all about 2d and 3d shapes. They created patterns using the 2d shapes and have sorted the 3d shapes into 'stack, roll, both or neither'. In English, Class 1 have been writing poems called 'I can see'. They planned their poem by choosing rhyming words and used alliteration and adjectives to describe the item they could see. Another fantastic week Class 1, keep up the good work.

Class 1 Star of the Week

The Star of the Week in Class 1 is Olivia for her fantastic poem and displaying a positive attitude and the correct behaviour for learning all the time.

Class 2

Class 2 have been working hard on their coding work. A special mention goes to Harris and Ruben for their fantastic computing on discovery Education.

Class 2 Star of the Week

Star of the Week is Peggy for her super story map using key vocabulary for her version of 'owl Babies'

Class 3

Class 3 have worked hard this week to use their new skills to become troll experts to write new information texts! Remy and Yahya have been using fantastic writing skills; they planned their subheadings, paragraphs and made sure they're going to include the new sentence types we've looked at recently like the drop in sentence using the word who!

Class 3 Star of the Week

The Star of the Week in Class 3 is Riley, for his fantastic information text about trolls!

Class 4

This week in Class 4 they have been having fun in science and trying out lots of exciting experiments linked to sound.

They have also been writing newspaper articles about Boudicca and her rebellion, from last week's history topic.

Class 4 Star of the Week

Star of the Week in Class 4 is Isaac for his fantastic newspaper article focussing on Boudicca's rebellion.

Class 5

Children in Class 5 have been researching and writing about Meerkats, after watching a super animation called 'Catch It!' In Science they have been learning about forces, and conducting their own experiments at home, with some excellent results, well done.

Class 5 Star of the Week

Sophie is the Star of the Week this week for consistently working hard to a high standard across all activities.

Class 6

Class 6 have started an English unit of work about dual narrative. In maths they have been recapping on their favourite topic of algebra. They have started a new topic all about conflict in the twentieth century and have begun by looking at the First World War.

Class 6 Star of the Week

The Star of the Week this week is Saracen. He always completes his work to the very best of his ability and responds to absolutely everything that has been set. He has done some fabulous work in maths. Well done Saracen.
