PE and SPORTS PREMIUM PLAN 2019/20

A DfE announcement in July 17 stated that the PE and sport premium grant will be doubled – Education Secretary Justine Greening stated that the money would materialise in September, as part of the £1.3 billion in additional funding promised to schools over the next two years. As a result of the increase in funding, the accountability measures of the grant will be far more stringent; ultimately, schools will not only be far more accountable for the use of the grant but also in terms of outcomes upon pupils' general wellbeing and fitness. It is expected that schools will see an improvement against the following five key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

This year we will look to further increase our participation in sport, providing a border range of opportunities for pupils in the wider school community, cluster and the MAT. We are also looking to raise standards, attainment and progress of all pupils within the curriculum. Moreover, we strive to promote healthy and active lifestyles for all our children.

We will evaluate the impact of the Sports Premium funding as part of our normal self-evaluation arrangements. We will look at how well we use our Sport Premium to improve the quality and breadth of PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of. We will look at pupil's progress in PE as well as other areas of development such as self-esteem, confidence and the numbers of pupils involved in sporting activities in and out of school. Assessments will be made both formally and informally using our school assessment systems as well as feedback from staff and visitors to the school. We will also evaluate the impact of professional development opportunities in improving teaching and learning in PE.

The grant is for this year is **£17,530**.

West Vale Primary School

The table below reflects the breakdown of how the Sport Premium money has been spent at West Vale Primary School during 2019/20, with details of desired impact upon delivery, quality and range of PE and sport across the school. The grant is for £17,530.

Objective one: Engaging all pupils in regular physical activity				Percentage of total spending
				15%
Planned actions		Funding allocated	Expected impact	Sustainability and suggested next steps
1	Whole school survey to identify which children take part in sporting activity outside school and those who don't so can identify and target.	£35	Target children who don't participate. All children in school will have some extracurricular sporting activity (go to a club)	To continue next year
2	Purchase specialist sports clothing	£500	Children will have the correct kit and be uniformly attired so that they all feel part of the team.	To continue next year
3	Daily Mile. Activities and competitions to be held to raise the profile and ensure this is being done in school and every single child will access it.	£50	Children engaging in physical activity on a daily basis	To continue next year
4	Additional swimming lessons in KS2 to support the NC emphasis on swimming.	£2000	Children will have 2 consecutive years of swimming lessons to achieve the standard and will continue in year 6 and 6 until it is met.	To continue next year

West Vale Primary School

Objective two: Raising the profile of PE and sport across the school as a tool for whole-school improvement			Percentage of total spending
			9%
Planned actions	Funding allocated	Expected impact	Sustainability and suggested next steps
1	School competitions, festivals and demonstrations. Join the Brooksbank family cluster to take part in their inter school competitions as well as intra school competition which will be organised in house.	£50	Training for play leaders enabling them to organise games and sports activities at playtime. Systems now established and will continue next year
2	Specialist sports coach providing lunchtime activities training MDS to be able to continue with these on the days they are not in.	£1,500	MDS to be trained to be able to run focused activities during lunchtime. All children to access specialist sports training. Training to be monitored and renewed as necessary.

West Vale Primary School

Objective 3: Increasing staff members' confidence, knowledge and skills in teaching PE and sport				Percentage of total spending
				37%
Planned actions		Funding allocated	Expected impact	Sustainability and suggested next steps
1	Specialist sports staff professional development and develop a new scheme of work. To provide a well-planned and resourced PE curriculum. All teaching staff to be trained alongside Project Sport to ensure confident and consistent teaching throughout school.	£6,000	Staff are more confident in delivering the other PE lesson. The quality of provision has improved – see lesson observations. Taking up the sport in a local team.	To continue next year – clearer focus on groups when monitoring.
2	NQT's to have release time and access to extra coaching and training.	£500	Ensuring that NQT's have quality first training to enable them to develop confidence when teaching.	Consist high quality teaching.

West Vale Primary School

Objective 4: Offering pupils a broader range of sports and activities				Percentage of total spending
				36%
Planned actions		Funding allocated	Expected impact	Sustainability and suggested next steps
1	Contribution to after school provision for pupils	£3,845	Enabling children to have access to sport outside of the school day.	To continue next year
2	Boiler House. Children in KS2 to have the opportunity to go to the Boiler House and take part in a variety of sporting activities unavailable at school	£1,000	Children experiencing a broader range of sporting activities	To continue next year
3	Specialist Dance training and teaching.	£1,500	Children experiencing a broader range of sporting activities	To continue next year

West Vale Primary School

Objective 5: Increasing pupils' participation in competitive sport				Percentage of total spending
				3%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Extracurricular staffing and transportation	£300	More children competing in sporting activity.	To continue next year.
2	MAT competitions to be introduced. Giving a wider range of children more opportunity to compete.	£200	More children competing in sporting activities.	To trial this year and extend next year.
3	All staff to take responsibility for an area of the sporting calendar and take children to events, raising the profile of sport across school as everyone will be involved at some point.	£50	More children competing in sporting activities.	To continue next year.
