

Welcome to Rowling's class newsletter for Autumn 1. I am looking forwards to the start of the new school year and everything that it will bring.

### Maths:

In maths, we will be focusing on place value. The children will be focusing on numbers up to 1,000 and then up to 10,000. We will then move to our units of addition and subtraction and then multiplication and division.

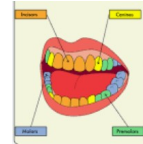

### Art:

This half term the children will be developing an understanding of shading and drawing techniques to create botanical inspired drawings.

### Science:

The children will be learning all about the human body. We will start off by learning all about teeth and then we will move on to learning about the digestive system! I am sure the children will be excited to tell you about what they have learnt!

### English:

This half term we will be reading the text 'The Nothing to see Here Hotel.' The children will write character descriptions, diary entries and a persuasive leaflet encouraging other monsters to come and visit the hotel. We will also have daily spelling, handwriting and reading comprehension lessons. Please try and read at home with your child as frequently as you can, it really does make a huge difference.

### History:

This half term we will be finding more out about why the Romans invaded Britain.

### Music:

We will have our friends from Calderdale music service in to help the children learn to play the Ukulele.

### PE:

Our PE lessons, this half term we will focus on fitness. The children will need to bring their PE kit to school on a THURSDAY. We may be outside for PE so please ensure your child has the correct and appropriate kit.

### Computing:

In computing we will be looking at online safety and emailing.

### PSHE:

In PSHE the children will be focusing on families and relationships.

### Important dates to remember:

Friday 6th September- Meet the teacher -3:20pm- 3:45pm.

Friday 27th September- Macmillan coffee morning

Monday 14th October- SEND parents workshop 9am
